Scandinavian Developer Conference 2011

We want to build on the great success we had with SDC2010 and therefore we plan for a new conference to be held April 4-5, 2011.

The Scandinavian Developer Conference 2011 (SDC2011) will be held at Göteborg Convention Center (Svenska Mässan) on April 4 - 5, 2011. You will be able to choose between many parallel tracks with a clear focus on system development and you will learn about the latest and greatest in the Java, .NET and IBM i platforms. We will have tracks about hot topics like Emerging Technologies, Cloud Computing, Testing, Web development and Mobile Solutions. In addition to technical sessions, there are sessions about the Development Process and Methodology: Agile, Scrum, TDD, Architecture, Project Management, Best Practices.

The Keynote Speakers this year are **Alistair Cockburn** and **Henrik Kniberg**.

In addition, we are welcoming many other internationally known speakers to Göteborg, including Adam Bien, Neal Ford, Matthew Mc Cullough, Scott Allen, Douglas Crockford, Erik Lundh, Henrik Ståhl Patrik Löwendahl, Jonas Bonér, Jeff Genender. On the technically oriented tracks we have representatives from industry leading companies such as IBM, Microsoft, Sun, Oracle and Yahoo!

We hope to see you April 4 - 5 at the Conference!
